Description: Using scores of photographs of faces that reflect the emotions of surprise, fear, disgust, anger, happiness, and sadness, the authors of UNMASKING THE FACE explain how to identify correctly these basic emotions and how to tell when people try to mask, simulate, or neutralize them. In addition, it features several practical exercises that will help actors,...

Review: In the current state of worldwide affairs, knowing how people feel is a vital skill. Knowing when people are lying, even more so. While reading emotions might seem like a straight forward task, it is quite certainly not for most. If such were the case, why is it that so many people fall prey for the lies from politicians & people in power when it's...
